

NO Climate or Energy Lockdowns!

STOP 'Green-New-Deal' energy+food supply chaos! STOP the Climate Con!

They're deliberate cover for new LockDowns for the New-World-Order Great Reset as the Covid-virus Con fails

- We defend biodiversity and fight chemical pollution! **BUT CO2 is not a pollutant.**
- **CO2 is The Gas Of Life – IT'S PLANT FOOD!**
- Sea temperatures control CO2 amounts in air, NOT the other way about. Man's CO2 (4% of 0.04% of air) is irrelevant. It's only 4% of total CO2 flux.

Termites make 10x more CO2 than Man!
Where's The War on Termites?!

The 'GreenHouse Effect' is #FakeScience to create a political spectacle. CO2 follows temperature change, NOT the other way about!

Can the tail wag the dog?

BillGates' sponsored CO2 theory says extra CO2 makes extra heat flow from cold upper air to the warmer ground. It's anti-scientific nonsense!
Heat doesn't flow from cold to hot!

NO-ONE who's read Piers' & Philip's science papers can seriously argue against!

ManMade CO2 Climate Change Doesn't Exist

- Go www.WeatherAction.com Free download Science paper by physicists Piers Corbyn & Philip Foster

We challenge Govt 'scientists', The Royal Society, the IPCC, Imperial College, Extinction-Rebellion **Maniacs**, The LOT, to provide ***ONE*** scientific paper showing with Real Data that CO2 changes drive world temperatures. ***THERE ARE NONE***

'Climate Wildfires' are BBC climate alarm hysteria Fake News. Many were started deliberately or arose from deliberate forest undergrowth neglect! **Arrest the Fire Raisers!**

RESIST! DEFY! DO NOT COMPLY!
